### Ski Yachting, Cannes—30 Jan to 2 Feb 1975

35 BOATS including 5 Swiss, 1 English, and 2 Italian, competed in this annual event. Entries are increasing gradually each year, but we need more from overseas, and these are always welcome. The overall winner was Gélusseau of the French National 470 team, crewed by Guy from Tesmier's boat.

Skiing at Iscla 2000 was favoured with an unbelievable performance with everybody in fancy dress. Regional television was there to give plenty of publicity to the class.
