Travel Insurance: We recommend all guests take out travel insurance whilst on holidays. This should protect against the unlikely event that you may be forced to cancel. Examples of unforeseen circumstances: in case of bad weather (ie excess rain), death in family, transport difficulties (ie plane strike or flights being cancelled), severe emergency events (ie flood, fire) – these are just some issues you may face. Insurance policies vary between companies so take the time to research thoroughly to ensure you are protected against all issues that may be encountered.
